**Summary of Legislation:** This bill repeals or otherwise removes all provisions that establish a mandatory retirement age for superior court and county court judges. It makes conforming amendments.

**Effective Date:** July 1, 2011.

**Explanation of State Expenditures:** *Mandatory Retirement Age* – Since the State Constitution has no mandatory retirement age for circuit court judges, LSA used the average retirement age of circuit court judges as a comparison to determine whether superior court judges, who are required to retire at 70, might tend to retire at a later age.

Age of Judges At Time of Retirement		
	Number	Average
Circuit Judge	63	65.1
Superior Judge	74	65.0

Since no practical difference in the age of the judges at retirement exists, LSA anticipates no change in the payments to beneficiaries of the Judges Retirement Fund.
